Pursue a Career in Financial Planning!

Financial planners are in high demand!

Employment opportunities for personal financial advisors are expected to grow “faster than average through 2012,” according to the Department of Labor’s Occupational Outlook. In addition, “financial advisors who have the CFP[®] Certification are expected to have the best opportunity.”

CERTIFIED FINANCIAL PLANNER[™]

professionals have high job satisfaction!

A 2007 survey by Certified Financial Planner Board of Standards (CFP Board) reports that 89% of those who hold the CFP[®] certification are very satisfied with their career choice because helping people achieve their life goals provides emotional and financial rewards.
