

BOARD OF DIRECTORS APPLICATION

Confidential Application for Board Directors – Board Term to Begin January 1, 2024

We are honored that you are interested in serving as a **Director of the CFP Board Center for Financial Planning and the CFP Board of Standards**.

In preparation for selecting CFP Board's next class of board directors, the Nominating Committee conducted a detailed gap analysis. The Committee identified professional experiences, skills and business models that will best complement the current directors—given the mission and future strategic direction of the organization.

As a result of this analysis, the Nominating Committee anticipates identifying two to three individuals. The Committee will favor candidates with one or more of the following characteristics:

- Client-facing CFP® practitioner
- A public member with financial regulatory and/or enforcement background

CFP Board maintains its longstanding commitment to diversity, equity and inclusion in all aspects of its mission and activities at all levels of the organization, including the Board of Directors, believing that diversity of experience and perspective will strengthen the organization's impact. To that end, the Board of Directors should reflect a collective mixture of human and organizational assets including race, color religion, national origin, age, sex, disability, veteran status or sexual orientation — all while leveraging the power of diversity, equity and inclusion.

Thank you for considering Board of Director involvement and for the personal time and energy that you will be putting into this important aspect of building a stronger Board and thus a stronger financial planning profession.

Sincerely,

The 2023 Nominating Committee

In our sincere effort to successfully recruit a qualified and diverse slate of candidates, we have developed a comprehensive selection process. The process includes the following eight (8) steps:

STEP 1 — All interested parties should carefully review the full position and candidate specifications at [CFP.net/docs/volunteers/candidate.pdf](https://www.cfp.net/docs/volunteers/candidate.pdf). to self-assess their qualifications and their realistic view of the time commitment that board service will require.

STEP 2 — Each candidate should then complete the electronic application in full. All applications must be received electronically by no later than 5 PM Pacific Coast time, June 9, 2023. Late applications will, unfortunately, not be considered.

STEP 3 — The Nominating Committee will carefully review and assess all applications against the position description profile and will select a “short list” of candidates for further consideration. This will be completed by mid-July.

STEP 4 — The “short list” of candidates will be required to complete a Volunteer Agreement and undergo a public records background check.

STEP 5 — Provided that there are not concerns or issues as a result of Step 4, the Nominating Committee will conduct first-round candidate phone interviews. These will be conducted between August 7-19, 2023.

STEP 6 — The Nominating Committee will select a small group of finalist candidates for second-round in-person interviews. The interviews will take place in Washington, DC on October 3-4, 2023.

STEP 7 — The Nominating Committee will select two or three of the finalist pool for full Board consideration in mid-November 2023.

STEP 8 — The Board elects the new Directors at its November board meeting to serve a four-year term, beginning January 1, 2024.
